4TH OF JULY PARADE – COME OUT AND VOLUNTEER

You don't have to be skilled with a camera to enjoy Rotary's newest fellowship, the International Fellowship of Rotarian Photographers. The fellowship, which was recognized by the RI Board of Directors in January, counts amateur and professional photographers among its members, as well as those

who have an appreciation for photography.

“Our group is open to anyone at any skill level, from point-and-shoot beginners to longtime professionals,” says Layne Marshal, a member of the Rotary Club of Campbell River Daybreak, British Columbia, Canada, who chairs the fellowship. “We have 65 members on our membership list in Canada, the United States, Europe, Australia, and India, but that list is probably incomplete.”
