Happy Mother's Day Thoughts: (Sunday, May 12, 2013)

“Mothers hold their children's hands for a short while, but their hearts forever.”

“Of all the rights of women, the greatest is to be a mother.”

“No matter how old a mother is, she watches her middle-aged children for signs of improvement.”

“All mothers are working mothers.”

“When you are a mother, you are never really alone in your thoughts. A mother always has to think twice, once for herself and once for her child.”
